FAIR DEAL PRICE LIST

We are a little late getting out our list this year. Last September when we should have planned our catalog we were troubled with very wet weather so we could not tell how we were going to get our stock in for winter. We are glad to say it stopped raining in October and we got our stock inside in good shape. We lost a few items in floods so cannot offer them this year.

Parcel post rates have increased again and also we have a large increase in prices of moss and waterproof paper used in packing mail orders. It doesn't seem fair to set parcel post price on our stock high enough to take care of a customer in Ohio or Virginia and then expect the bulk of our customers living in Nebraska, Kansas or Missouri to help pay the cost. We also want to be fair to our many express customers. This year we are not pricing any postpaid items, but will mail them under our Fair Deal Offer. This plan will enable us to hold our last year's prices and in many cases reduce them to our cash and carry and also express customers.

FAIR DEAL OFFER

We can send, by parcel post, perennials, plants, roots, trees and shrubs under four feet high.

If wanted by mail, add 15 per cent to order for Kansas, Nebraska and Missouri. Add 20 per cent to order for other states. This will take care of most of the postage and extra packing.

NOTICE: We must charge a minimum of 25c on each order so try to make order at least \$2 if possible.

We will pay express charges on orders of \$20 to Kansas, Nebraska or Missouri. We will pay the express charges on orders of \$25 or more to other states. Get your neighbors to order with you and get your stock by express prepaid. It will travel better.

NOTICE: No stock over 4 feet high can be sent by mail.

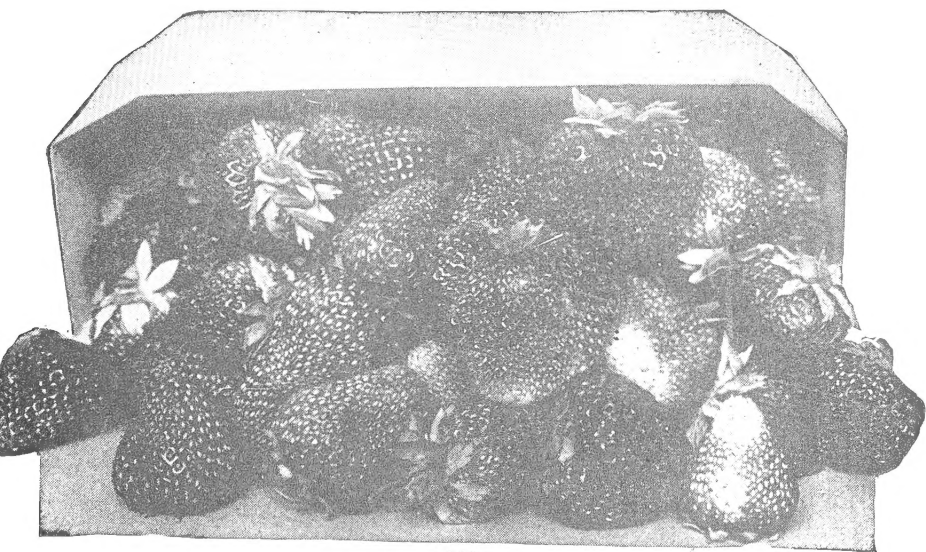

We invite customers within driving distance of Fairbury to come to see just what they are getting. We are open week days from 8 to 12 a.m. and 1 to 5:30 p.m. Office two blocks north of postoffice and four and one-half blocks west.
